And finally, \$1000 for legal proof that there is a single whig in the American army, who approves of the atrocious sentiments uttered by the North American and its kindred spirits. The Ohio Statesman says, that a colored man named

Cook, near sixty years of age, who was engaged in

digging a well, at Franklington, near Columbus, was

caught by the gravel and sand caving in upon him,

burying him up to the neck. The people collected in

great numbers, but all their efforts to extricate him

it. He was finally got out abve, though very much exhausted, on Saturday afternoon, after having beeen thus buried abve for about fifty hours. ANOTHER MARTYR .- The Montreal Herald chronis cles the decease of the Very Rev. Mr. Hudon, vicar general to the Roman Catholic Bishop of that diocese-

The present appearance of things is, that the federalists thank of renominating Henry Clay, as that distinguished gentleman has just commenced one of those tours for health which has preceded the last two presidential campaigns, and which are so important
